Center at Cathedral Plaza

**School-Connect: Optimizing the High School Experience** is a 40-lesson curriculum designed to boost social, emotional, and academic skills in students (grades 9-12). It is especially designed to help incoming freshmen build supportive relationships and prepare for the academic rigor of high school. For more information, including free sample lessons, go to [www.school-connect.net/](http://www.school-connect.net/)

**Training Option #1 – Teacher Training (1 days)** Staff training directly prepares participants to present *School-Connect* lessons and helps to promote teacher confidence, enthusiasm, and commitment to program goals. The training provides an overview of curriculum concepts and strategies, practice in facilitating student-driven discussions and activities, and links for academic integration. Participants should own or purchase *School-Connect, Modules 1-4* curriculum.

**Training Option #2 – Trainer Training (1.5 days)** Includes the one-day teacher training and another half day to learn how to provide School-Connect training and support in your school or district. Participants receive a Trainer’s Toolkit, which includes the Training Power Point, a short presentation Power Point, a CD-R of training handouts, and information on implementation. **School or district teams of two or more receive a 10% discount on Trainer Training.**
